

9th Annual CORE4 STEM
Exhibitor Registration Form

Family Day (students & parents): Saturday, November 3, 2018 at San Antonio College
The deadline for submission of this form and all of your information is September 28, 2018.

INDIVIDUAL INFORMATION

Name: _____ Company/Organization: _____
Phone: _____ Email: _____

Please read below to ensure you meet the guidelines for EXHIBITORS

Exhibits will be located in a large gymnasium in an open environment. Exhibitors will be amongst other exhibitors, not in individual rooms. The exhibit area is expected to experience a large number of visitors in a relatively constant stream. However, a large number of visitors may be in the exhibit area at any one time and the area may become noisy. Every effort will be made to place exhibitors as far from one another as possible. Exhibits should be geared towards small groups of students who will be walking amongst multiple exhibits in the 4 hour time period (9:00 AM to 1:00 PM). Exhibits/demonstrations should be approximately 5-10 minutes in length and be repetitive in nature. Students learn via hands-on activities so students should be able to touch/interact with the exhibit to the greatest extent possible.

EXHIBITOR INFORMATION

Objective and name of your exhibit: _____

Will you be the onsite contact? _____
If not, please provide the onsite contact information: _____

SPACE, AUDIO/VISUAL, AND POWER SOURCE NEEDS

How much space will you require overall for your exhibit, including any equipment, display tables, and AV setup?
